Pilgrim Application

Welcome to the Walk To Emmaus weekend. We look forward to being with you on this road to renewed relationship with Jesus Christ. Please read the following information carefully and ask your sponsor if you have any questions about the weekend. Your sponsor will arrange to pick you up and bring you to the walk on that Thursday and will make similar arrangements for your return home on Sunday.

What to bring:

Bible – if you wish. Any version you're most comfortable with. Bibles will be provided in the conference room.
Clothes for Each Day – Casual dress. Don't forget to pack a sweater or long pants. Even if your event is in the summer, sometimes indoor spaces can be cool – perhaps layering options for flexibility. This is called a Walk to Emmaus, but there is very little time for 'walking about'. Wear comfortable shoes.
Toiletries and Bathrooms – bring your grooming products like shampoo, conditioner, body wash, towel, washcloth, deodorant, toothbrush & toothpaste. There are two shared restrooms "down-the-hall" in your lodge, each with 2 showers (each shower with a small changing space/seat) and 2 toilets and 3 sinks/mirrors. Slippers/shower shoes are suggestions. The camp provides rubber shower mats in the restrooms.
Accommodation. You will share a room with another pilgrim. You will have a twin bed to sleep on – mattress only - no bedding is provided. **So bring pillow, sheets (or a sleeping bag) and a blanket**. Each room has a sink (cold water only) and mirror, a work desk, two small hanging closets, two folding side tables and a night light. The rooms are centrally heated and air conditioned. Bring a fan if you like.
Telephones and Time Pieces: We ask you to leave these at home as a way to focus on the weekend and your time with God. Also, there is no cell-phone service for pilgrims at the camp. In case of an emergency at home, your sponsor is your family's contact person – they know how to reach the team. In case of an emergency at the camp, your listed emergency contact person will be notified of any issue.
Medications –You will see no clocks during your walk. If you reported you take time- critical medications during the day on your application, we will assign a person to make sure your medications are taken on time. If refrigeration for your meds is needed, this will be provided for. Make sure this is known when you check in on Thursday. Standard over-the-counter medications are available during your walk.
Meals: 3 meals Friday and Saturday, 2 meals on Sunday. Be sure to eat something before coming to the camp on Thursday. Meals are prepared by the camp's staff in the camp's kitchen. If you reported diet restrictions on your application, these will be reviewed by the kitchen to assure they can comply. Low Fat or Low Cholesterol meals are not specially prepared - you will need to decide which part of the meal is appropriate for you (i.e. don't eat the bread on a sandwich). If this is critical for your diet, you may consider ordering a Vegetarian diet plan. Please call me with any meal questions. The camp does not prepare vegan meals. While some foods may be salted (like French fries) nothing is heavily seasoned. Customary condiments will be on each table.

Please contact your sponsor should you have any questions or concerns. We are looking forward to getting to know you and having you become a member of our Emmaus Community.

Sincerely, Ernie Haynes, registrar 205-529-4641 bhamemmausregistrar@gmail.com

Accommodation. You will share a room with another pilgrim. You will have a twin bed to sleep on – mattress only - no bedding is provided. **So bring pillow, sheets (or a sleeping bag) and a blanket**. Each room has a sink (cold water only) and mirror, a work desk, two small hanging closets, two folding side tables and a night light. The rooms are centrally heated and air conditioned. Bring a fan if you like.
Telephones and Time Pieces: We ask you to leave these at home as a way to focus on the weekend and your time with God. Also, there is no cell-phone service for pilgrims at the camp. In case of an emergency at home, your sponsor is your family's contact person – they know how to reach the team. In case of an emergency at the camp, your listed emergency contact person will be notified of any issue.
Medications –You will see no clocks during your walk. If you reported you take time- critical medications during the day on your application, we will assign a person to make sure your medications are taken on time. If refrigeration for your meds is needed, this will be provided for. Make sure this is known when you check in on Thursday. Standard over-the-counter medications are available during your walk.
Meals: 3 meals Friday and Saturday, 2 meals on Sunday. Be sure to eat something before coming to the camp on Thursday. Meals are prepared by the camp's staff in the camp's kitchen. If you reported diet restrictions on your application, these will be reviewed by the kitchen to assure they can comply. Low Fat or Low Cholesterol meals are not specially prepared - you will need to decide which part of the meal is appropriate for you (i.e. don't eat the bread on a sandwich). If this is critical for your diet, you may consider ordering a Vegetarian diet plan. Please call me with any meal questions. The camp does not prepare vegan meals. While some foods may be salted (like French fries) nothing is heavily seasoned. Customary condiments will be on each table.

Please contact your sponsor should you have any questions or concerns. We are looking forward to getting to know you and having you become a member of our Emmaus Community.

Sincerely, Ernie Haynes, registrar 205-529-4641 bhamemmausregistrar@gmail.com

Welcome to the Walk To Emmaus weekend. We look forward to being with you on this road to renewed relationship with Jesus Christ. Please read the following information carefully and ask your sponsor if you have any questions about the weekend. Your sponsor will arrange to pick you up and bring you to the walk on that Thursday and will make similar arrangements for your return home on Sunday.

What to bring:

Bible – if you wish. Any version you're most comfortable with. Bibles will be provided in the conference room.
Clothes for Each Day – Casual dress. Don't forget to pack a sweater or long pants. Even if your event is in the summer, sometimes indoor spaces can be cool – perhaps layering options for flexibility. This is called a Walk to Emmaus, but there is very little time for 'walking about'. Wear comfortable shoes.
Toiletries and Bathrooms – bring your grooming products like shampoo, conditioner, body wash, towel, washcloth, deodorant, toothbrush & toothpaste. There are two shared restrooms "down-the-hall" in your lodge, each with 2 showers (each shower with a small changing space/seat) and 2 toilets and 3 sinks/mirrors. Slippers/shower shoes are suggestions. The camp provides rubber shower mats in the restrooms.
